FMS 6.200
ESFA Updated Chart of Accounts 2021

The ESFA Chart of Accounts mapping and reports have been updated to reflect ESFA requirements for the 2020/21 Academies Accounts Return.

These updates include the removal of code 290100 Credit\Debit Card 1. On upgrade, any FMS 6 ledger codes previously mapped to this code will be unmapped.

FMS Ledger codes can be mapped via Tools | General Ledger Setup – Tab 10: ESFA Mappings.

For information on the codes that have been provided, together with information on the code descriptions that have been updated to provide further clarity, please refer to the release note that accompanies the FMS 2021 Summer Release (https://support.capitasoftware.com/csm?id=kb_article_view&sysparm_article=KB0047098).

Notification of the Withdrawal of the VAT Submittal and Long Summary Reports

Following the introduction of the VAT Submittal Report (MTD) and the VAT Full Report (MTD), the following reports will no longer be available from the FMS 2022 Spring Release:

- VAT Submittal Report
- VAT Full Report.

Where to find more information

It is strongly recommended that you read the SIMS Release Download Links and Product Information on the support portal. The Notification provides additional, up-to-date information about the release.

The FMS Documentation Centre provides access to all the documentation, e.g. handbooks, quick reference sheets, etc. It can be accessed by selecting Help | FMS Documentation.

Use the search facility to find additional supporting documentation. Online help can be accessed by pressing F1 or by clicking the applicable Help button in SIMS.
